**THE CITY OF FONDA
WELCOMES YOU
FOR RAGBRAI-XLIII**

**WE LOOK FORWARD
TO SEEING YOU AT
THE OASIS**

THE OASIS

Our theme for Fonda is based upon the idea of the rider traveling across a desert of corn fields when you come upon the Oasis of Fonda. Your spot to re-energize before completing the next third of the ride to Manson.

A rider choosing to head to Pomeroy will want to be sure to stop in the Oasis and recharge before attempting the gravel loop.

Fonda in French means *fountain*. We are a resting place for weary travelers and those who work hard. We hope you will take some time to enjoy our Oasis and our friendly people as we work to provide you with the best experience

We hope you will help to support our groups who have made this happen.

You will find all of the vendors in **ONE LOCATION** just a short jaunt off of the main route. We did this to provide that feeling of comfort and rest
